

TAX ALERT NO. 9/2020

Dragi colaboratori,

Va prezentam cateva aspecte referitoare la eliberarea certificatelor de situatie de urgenta pe care operatorii economici le pot obtine in baza unor documente justificative.

Astfel, potrivit art. 12 din **Decretul nr. 195/16.03.2020 al Presedintelui Romaniei, publicat in M. Of. nr. 212/16.03.2020**, privind instituirea starii de urgenta pe teritoriul Romaniei, Ministerul Economiei, Energiei si Mediului de Afaceri elibereaza, la cerere, operatorilor economici a caror activitate este afectata in contextul COVID-19 certificate de situatie de urgenta in baza documentelor justificative.

Se mai pot obtine aceste certificate si de la Camera Nationala, potrivit dispozitiilor art. 28 lit.i din Legea nr. 335/2007.

Camera Nationala este continuatoarea de drept a Camerei de Comert si Industrie a Romaniei si avizeaza, la cerere, pentru societatile romanesti, pe baza de documentatie, existenta cazurilor de forta majora si efectele acestora asupra executarii obligatiilor comerciale internationale.

Potrivit art. 4 lit. j din Legea nr. 335/2007 Camerele Judetene avizeaza existenta cazurilor de forta majora si influenta acestora asupra executarii obligatiilor comerciantilor.

Dear collaborators,

We present some aspects regarding the issuance of emergency certificates that economic operators can obtain based on supporting documents.

Thus, according to article 12 of **Decree no. 195/16.03.2020 of the President of Romania, published in the Official Gazette no. 212/16.03.2020**, on the establishment of an emergency situation on the territory of Romania, the Ministry of Economy, Energy and Business Environment shall, upon request, issue emergency certificates to economic operators affected by the activity in the context of COVID-19 on the basis of supporting documents.

These certificates can also be obtained from the National Chamber according to the provisions of article 28 letter i of Law no 335/2007.

The National Chamber is the rightful continuation of the Romanian Chamber of Commerce and Industry, and endorse, upon request, for romanian companies, based on documentation, the existence of force majeure cases and their effects on the performance of international trade obligations.

According to Article 4 letter j of Law no 335/2007 the County Chambers notifies the existence of force majeure cases and their influence on the execution of the obligations of the traders.
