

Stimati colaboratori,

Va prezentam mai jos comunicatul de presa ale Ministerului Finantelor Publice (MFP) din data de 22.04.2020 privind informatizarea MFP prin **ordinul de plata multiplu electronic (OPME)**.

Redam textul integral al comunicatului de presa:

Ordinul de plata multiplu electronic (OPME), poate fi utilizat de catre institutiile publice inregistrate in Registrul entitatilor publice si de catre operatorii economici si alte entitati decat institutiile publice pentru efectuarea de plati din conturile deschise la unitatile Trezoreriei Statului prin care isi desfasoara activitatea proprie.

Scopul utilizarii ordinului de plata multiplu electronic (OPME) este de a sprijini activitatea IMM-urilor si a celorlalti operatori economici prin inlesnirea comunicarii prin mijloace electronice de transmitere la distanta intre Ministerul Finantelor Publice/organul fiscal central si persoanele fizice, persoanele juridice si alte entitati fara personalitate juridica.

OPME se completeaza si se depune on-line prin Sistemul national de raportare Forexbug de catre institutiile publice si, respectiv, prin intermediul serviciului «Depunere declaratii» de catre operatorii economici si alte entitati decat institutiile publice, pentru efectuarea de plati din conturile deschise la unitatile Trezoreriei Statului prin care isi desfasoara activitatea proprie.

Dear collaborators,

We present you below the press release of the Ministry of Public Finance (MPF) from April 22nd, 2020 on the computerization of the MPF by the **electronic multiple payment order (EMPO)**.

We reproduce its content integrally:

The electronic multiple payment order (EMPO) can be used by public institutions registered in the Register of public entities and by economic operators and entities other than public institutions to make payments from accounts opened at the State Treasury units through which they carry out their own activity.

The purpose of using the electronic multiple payment order (EMPO) is to support the activity of SMEs and other economic operators by facilitating communication by electronic means of remote transmission between the Ministry of Public Finance / central fiscal body and individuals, legal entities and other entities. without legal personality.

EMPO is completed and submitted online through the National Forexbug Reporting System by public institutions and, respectively, through the service «Submission of declarations» by economic operators and entities other than public institutions, for making payments from accounts opened at the units of the State Treasury through which it carries out its own activity.

Persoanele din cadrul operatorilor economici si ai altor entitati deca institutii publice care semneaza ordinul de plata multiplu electronic (OPME), trebuie sa fie inrolate in Spatiul privat virtual (SPV) ca reprezentant legal, reprezentant desemnat sau imputernicit pentru acestia si sa corespunda cu cele aprobate in fisa specimenelor de semnaturi depusa la unitatea Trezoreriei Statului prin care acestia isi desfasoara activitatea.

Formularul OPME poate fi descarcat de pe site-ul Ministerului Finantelor Publice, Sistemul national de raportare sau poate fi pus la dispozitie de catre unitatile teritoriale ale trezoreriei statului.

Detalii cu privire la completarea, depunerea si semnarea OPME se regasesc in OMFP 1819/2020 publicat la rubrica Transparenta decizionala/Acte normative aprobate.

Pentru operatorii economici si alte entitati decat institutiile publice, recipisele aferente depunerii si validarii/respingerii OPME se vizualizeaza prin Spatiul privat virtual (SPV), sectiunea "Mesaje".
