Dear collaborators,

We present you below the press release of the Ministry of Public Finance (MPF) from May 8th, 2020 on the new deadline for submitting the unique statement, namely June 30th, 2020

We reproduce its content integrally:

One million Romanians who earn income from self-employed activities, intellectual property rights, agriculture, rents, capital gains and other forms of income will receive bonuses of up to 10% if they pay taxes or contributions by June 30, the new deadline for submitting the unique statement.

The Government approved the proposal of the Ministry of Public Finance to grant bonuses of up to 10% to all persons who will pay by June 30th income tax and social contributions related to income/earnings obtained in 2019 from independent activities, intellectual property rights, transfer of use of assets, the transfer of securities, agriculture, forestry and fish farming or from other income categories.

Bonificatia va fi aplicata pentru impozitul pe venit, contributia de asigurari sociale si contributia de asigurari sociale de sanatate, datorate pentru veniturile realizate in anul 2019, pentru care exista obligatia depunerii Declaratiei unice privind impozitul pe venit si contributiile sociale datorate de persoanele fizice.

Persoanele fizice vor primi o bonificatie de 5% din impozitul pe venit, contributia de asigurari sociale si contributia de asigurari sociale de sanatate, reprezentand obligatii fiscale anuale pentru anul 2019, daca toate aceste obligatii fiscale de plata se sting prin plata sau compensare, integral pana la data de 30 iunie 2020 inclusiv.

De asemenea, va fi aplicata o bonificatie de 5% din impozitul pe venit, contributia de asigurari sociale si contributia de asigurari sociale de sanatate, pentru depunerea Declaratiei unice privind impozitul pe venit si contributiile sociale datorate de persoanele fizice prin mijloace electronice de transmitere la distanta, pana la 30 iunie 2020 inclusiv. Aceasta se acorda numai daca este indeplinita conditia de acordare a bonificatiei pentru plata in termenul anuntat.

Acordarea bonificatiilor in anul 2020 se efectueaza de catre contribuabil prin inscrierea acesteia in mod distinct in Declaratia unica privind impozitul pe venit si contributiile sociale datorate de persoane fizice, iar obligatiile fiscale de plata se determina prin diminuarea obligatiilor fiscale datorate cu valoarea bonificatiei.

Bonificatiile se acorda numai prin completarea si depunerea, pana la data de 30 iunie 2020

The bonus will be applied for income tax, social insurance contribution and social health insurance contribution, due for income earned in 2019, for which there is the obligation to submit the Unique Statement on income tax and social contributions due by individuals.

Individuals will receive a bonus of 5% of income tax, social insurance contribution and social health insurance contribution, representing annual tax obligations for 2019, if all these tax payment obligations are extinguished by payment or compensation, in full until on June 30th, 2020 inclusive.

Also, a bonus of 5% of the income tax, social insurance contribution and social health insurance contribution will be applied, for the submission of the Unique Statement on income tax and social contributions due by individuals by electronic means of remote transmission, until June 30th, 2020 inclusive. This is granted only if the condition of granting the bonus for payment within the announced term is fulfilled.

The granting of bonuses in 2020 is made by the taxpayer by registering it separately in the Unique Statement on income tax and social contributions due by individuals, and the tax payment obligations are determined by reducing the tax obligations due to the value of the bonus.

The bonuses are granted only by completing and submitting, by June 30th, 2020 included,
